Note :

1. Assets since 2006 are calculated in their depreciation except for lands, moveable properties and real estate, miscellaneous equipment, and books.
2. Data since 2007 include assets under agriculture, forestry, and animal husbandry operational organizations operation funding.
3. Data include the National Taiwan University Cancer Center (NTUCC) operations funding in 2019 and 2020. NTUCC became a branch of National Taiwan University Hospital in June of 2021.

4. Data since 2022 include Graduate School of Advanced Technology (GSAT), National Taiwan University (NTU).
